Club Champs

June 2022

THANK YOU!

& CONGRATULATIONS TO ALL WHO ENTERED!

We missed having club champs in 2020 and 2021 and it was fantastic to be able to put it on again this year in the recent Queens Birthday long weekend. Congratulations to all who played, supported, watched, organised and helped on the day. And a HUGE thank you to the parents who jumped in to help with tidying up and cleaning afterwards, both the grounds and the clubrooms. This willingness to pitch in and help out was noticed and very much appreciated. "Many hands make light work"

Hopefully 2022 will see more and more social and competition events being hosted at the club so it would be great if we could all take care of our facilities. We often get positive comments from visitors on how lovely our club environment is. Lets make sure we keep that reputation.

Huge thanks too of course to Ben and his team for organising. There is a large amount of work that goes into organising draws etc and making sure it all runs smoothly and to plan.

Club Champs Report - by Bonnie

Club champs was the best thing to do on the Queens Birthday weekend. We were sad about the rain on Sunday but we all got to play on Monday so it didn't matter.

I loved seeing my team partner Katelyn play her matches in Hot Shots. I loved playing with new people and meeting people from other teams. My favourite match to watch was Jessica and Mia because it was entertaining. My favourite match to play was girls doubles with Jessica because she was really nice to me. Ben is great at cooking sausages and everyone had a fantastic time. I can't wait for the next club champs but I think they should be in March because of the warmer weather and I hope everyone from all the different days plays next time so we can all have fun together.

Junior Competitions

Our HE Parker Juniors are half way through the Winter 2022 Season. With 3 Saturday teams in the top four, we have 10 teams ranging from B1 Special (just short of A Grade) to Junior Development Orange Ball. We are aiming to have a dedicated person take on the role of Sunday Junior Venue Supervisor and Convenor in the future. It would also be wonderful to have some parents on Committee. Please don't be shy and reach out to me if you'd like to contribute to local community in this way. You'll get to meet lovely people who are involved in other parts of our busy club activity.

Midweek Competitions

We have a team playing on Wednesday who played the semi-finals, unfortunately lost by 1-2 points. Their next season starts Wednesday 13th July.

We have 2 teams playing on Thursday. Section 3 finished 5 on the ladder for season 1 & Section 6 who played & won their grand final 5/46-1/30. Congratulations to Lyn Whiteley, Barb Catto, Dianne King, Leha Nemeth, Ros Brereton & to our emergencies, Viv White & Carole Hamilton.

Thursday will see only section 3 playing, starting 14th July.

If you are interested in playing mid week ladies. Please ring Ros Brereton 0412 869 403

Night Competitions

The Lilydale competition is well under way with a team playing on Wednesday nights.

The KDNTA (Knox) competition starts back for Season 2 / 2022 the week beginning 25th July and we have several teams in that competition on Monday, Tuesday and Thursday nights.

Keep your eyes open on the notice board to see how all our teams, junior and senior, night and midweek, as they progress through their seasons.

First Aid & Safety

It's common to focus on safety in the workplace or maybe your school. But we should also be safety conscious at home and at play, including here at the courts. If you see something unsafe please let the committee or a coach know about it.

We have ice packs in the freezer for minor or initial sporting injuries like sprains. There is a first aid kit in the pantry for other minor accidents. For more serious accidents please record these in the Minor Incident Registry near the kitchen window. And of course for serious and major situations please **always** call an ambulance **without delay**.

Help wanted

We need your help - running a club relies on members and volunteers and we need your help to keep things ticking along.

In particular we need committee members for next year as we have some members moving on. If you're interested in learning more, have experience to give or just happy to help out please speak to one of the committee or email secretary@hprtc.org.au

It's a great way to meet others involved in the club, and make your club the best it can be.
